FREE 'SAFETY IN THE GYM' POSTER

Niels Larsen, the leading gymnastics equipment company, well known for its innovative new ideas have published a giant poster designed to illustrate the latest thinking in gym safety. Fully endorsed by BAALPE, British Gymnastics and SAFEA, the poster is attractive authoritative and an invaluable contribution to safety in the sports hall and gym. The poster has been meticulously researched and carefully illustrated to reflect the latest technical and safety thinking in the gym, with particular emphasis on attracting children's attention. Bright, colourful and informative, the poster measures 830 x 580 mm and is available FREE.

Niels Larsen market a range of gymnastic equipment manufactured to the highest standards and specifically designed for use in school and college sports halls and gyms. The FREE poster has been illustrated in a style carefully designed to raise awareness of safety issues whilst still 'speaking to children'.
